HAPPY CAPS®

CE BATCH COMPLIANCE STATEMENT

| Product name | Happy Caps Heavenly-E |
|---------------------------|--|
| Version | V1.1 |
| Issue Date | January 2024 |
| Batch number | TBA |
| GTIN Number | 8720938600104 Global Trade Item Number |
| Registration According EU | Not Available / Under review |

BLEND INGREDIENTS (PER CAPSULE)

| Kratom Extract 20x | 120mg |
|-----------------------------|-------|
| Theobromine (Cacao Extract) | 35mg |
| Synephrine | 20mg |
| DHEA | 5mg |

REGULATORY

| Specification | The information in this specification is based on careful examinations and is given to the best of our knowledge This product is a Happy-Caps Sport & Food supplement. REG. (EU) 1924/2006 Pursuant to Article 29, clause 1 of the Act of 25 August 2006 on food and nutrition safety (OJ of 2019, item 1252) |
|--------------------------------|---|
| Batch number and traceability | By means of the quality management system each blend has an unique batch number. Every batch number is documented during the production process and the end-product receives a new batch number which is also documented and is part of the labels. Because of that the traceability is ensured at any time both during production and delivery. Moreover the traceability can be confirmed at any time by the initial supplier according to regulation (EC) No 178/2002. |
| Shelf life | Check the BBE date on the packaging |
| Terms of transport and storage | Storage conditions (In the warehouse): finished product warehouse: 2-25<, humidity <65% Storage conditions (During the transport-Short term): Seal airtight and keep in dry place apart from damp, light, poisonous and noxious matters. |
| Country of Origin | Country of origin: Netherlands Happy Caps - Arnhemseweg 55A, 7331BB, Apeldoorn, Netherlands. info@happy-caps.com - www.happy-caps.com |

HAPPY CAPS®

| Packaging We confirm that the packing materials used is in compliance with: - Commission Directive 2002/72/EC of Asigust 2002 relating to plastic materials and articles intended to come into contact with foodstuffs Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/ EEC - Commission Regulation (EU) No 10/20/11 of 14 January 2011 on plastic materials and articles intended to come into contact with food. Packing Mixing and packing meets the requirements of IFS Food version 6.1 and other associated normative documents. We confirm the product is not made from irradiated/ionized raw materials or was irradiated/ionized in accordance with directives 1992/2/EC and 1999/3/EC. GMO statement We herewith confirm, that our product is not genetically modified food and/or does not contain food, additives or flavours produced from genetically modified organisms in accordance to regulations (EC) No 1829/2003 and 1830/2003. Botanical ingredients All capsules are made in the European Union and made of raw materials and coloring EE and FDA approved. Since the blend contains botanical ingredients, there is likely to be minor colour variations between different batches because of geographical and seasonal variations of the raw material. A thorough inspection ensures that these variations of the raw material. A thorough inspection ensures that these variations do not impact the overall quality of the finished product.
